

Coffee/Hospitality Ministry Report For June 2019

Currently 20 volunteers help provide this service after Mass on Sunday mornings. Some volunteers help with the setup, some do service and cleanup and others bring in baking and different treats. They are a dedicated, reliable group. Most volunteers are referred by Sandi and Jennifer. Several offer to help when they are new to the parish and some are friends from CWL.

This ministry depends on parishioner's donations. Cash donations pay for coffee, tea, serviettes, juice, and Fish crackers. Our current balance is \$103.84; however we are intending to support Fair Trade and environmentally safe products as soon as our present supplies are used up.
